LINCOLN SAVINGS PROMISES

1. Financial assistance from the industry's most experienced management in Southern California. It's a fact. Lincoln's top executives, headed by their Board Chairman, represent the longest continuous management of any Southern California savings and loan association. As a group, they've guided Lincoln Savings for 43 years through wars, depressions and booms—never having missed an interest payment and always honoring requests for withdrawals immediately. They've continually demonstrated the professionalism of men dedicated to building a healthy growing business based on total service to customers.

2. The most advantageous savings program possible. Lincoln pays interest from date of receipt to date of withdrawal. In addition we offer travelers checks, notary service, money orders, passbook loans and free parking.

3. Safe, high earnings. Sure some treasury bonds, stocks and thrift and loan companies may yield in excess of Lincoln's 5% current annual rate. But Lincoln savers don't wait for bond maturity to realize their original investment. And Lincoln accounts are not subject to stock market fluctuation. As for security Lincoln accounts are insured to \$15,000 by the Federal Savings and Loan Insurance Corporation. And for long-term savers, Lincoln offers a bonus account that pays an even higher rate of interest than any insured passbook account.

4. A genuinely flexible investment. Interest is paid daily from date of receipt on savings held through quarter's end. Funds received by the 10th earn interest from the 1st. And if you ever decide to withdraw some money, you're assured of earning interest right up to the day of withdrawal on savings which have been in your account three months.

5. Convenience wherever you live. There are six fully-staffed Lincoln offices in the important areas of Los Angeles and Orange counties. For added convenience, you can save by mail. Lincoln pays postage, as well as providing savings envelopes and one-day service.

Open a new account or transfer your present savings account to Lincoln today. It's well worth your while. And that's a promise.
